LACEY JAYCEE-OF-THE-MONTH

Recently during the monthly Lacey Jaycee meeting, Jim Hartley was named Jaycee-of-the-Month for June. Jim has been a Jaycee for two years and is co-owner of Hartley Jewelers.

Having received a Bachelor of Science degree in Geology from University of Puget Sound, Jim spends his leisure time playing softball for the Jaycees and racquet ball.

During the past two years, community activities such as Lacey Music/Arts/Dance Festival; and Lacey Jaycee's March of Dimes Dance Marathon have benefitted by Jim's responsible, good-natured, and hardworking traits.

Last year Jim served as State Director for the Lacey Jaycee Chapter; and now is External Programs Vice President. Chairing a Jaycee fundraising effort during the past month at Homann Park softball games and aggressively organizing Lacey Jaycee sponsored sports teams for this Fall has Jim Hartley deserving of the Jaycee-of-the-Month award.
